2. Do you have any COVID related symptoms?

    *No *Cough *Sore Throat *Shortness of breath *Sick *Diarrhea

3. Have you ever had contact with a COVID-19 patient, or suspected patient?

    *No *Yes: *Please enter the case of contact with the patient!

4. Have you returned from abroad within the last 14 days?

    *No *Yes: *Where have you visited? Please detail!

*If you experience fever or respiratory symptoms with a body temperature of 37.5C or higher, please consult with the on-campus health clinic by phone (033-248-2890/1) before school!

Submit

Thank you for your cooperation!

*Please note: Once completed a daily QR code will be generated here (plus your student photo), which you should scan on the machines located at entrances to buildings throughout Hallym campus.

A new QR code will be generated **daily,** after completing each temperature check (after completing the app), as outlined on the previous pages.
