

• Field Water and Wastewater Engineering, Advanced biological wastewater treatment, and Energy and resource recovery from wastewater and sludge

• Name Kim, Dong-Jin

• Title Professor

• Office Life Science Hall 8503

• Tel 248-2154

• email dongjin@hallym.ac.kr

## I Educational background

1987-1990 (Ph.D. - Chemical engineering)

1985-1987 KAIST (M.S. - Chemical engineering)

1981-1985 KAIST Yonsei University (B.S. - Chemical engineering)

## I Major careers

2008 - present Director of the the Institute of Energy and Environment

1990 - 1992 KIST (Researcher)

1993 - 1997 California Institute of Technology (Postdoctoral Fellow) SK Engineering & Construction Co., Ltd. (Chief researcher)

2003 - 2004 Advanced Water Management Centre, The University of Queensland (ARC Research Fellow)

2015 University of Technology Sydney (Visiting Professor)

2016 Vice president of the Korean Society of Water and Wastewater and Editor-in-Chief of the Journal of Water and Wastewater

2016 Associate Editor of the Korean Society of Clean Technology
