

▪ Field Condensed Matter Spectroscopy, Display/Illumination Optics

▪ Name Jae-Hyeon Ko

▪ Title Professor

▪ Office Engineering building 2056호

▪ Tel 033)248-1243

▪ email hwanmko@hally.ac.kr

## Education background

1992 Seoul National University (Bachelor of Science - The Department of Physics)

1996 Korea Advanced Institute of Science and Technology (KAIST) (Master of Science - The Department of Physics)

2000 Korea Advanced Institute of Science and Technology (KAIST) (Doctor of Science - The Department of Physics)

## Major careers

2004 - 2008.8: Assistant professor of the Department of Electronic Physics, Hallym University

2008.9 - 2013.8: Associate professor of the Department of Electronic Physics, Hallym University

2013.9 ~ Professor of the Department of Electronic Physics, Hallym University

2014.2 2016.2.28): Dean of the Department of Electronic Physics, Hallym University

2000-2003: University of Tsukuba (Ibaraki, Japan), Research Associate

2003-2004: Chief researcher of Backlight Unit PJT, the Research Center, Samsung Corning Co., Ltd.

2004.9 - 2007.6: Technical advisor of Samsung Corning Co., Ltd.
