Education background

2002-2007 Ajou University (B.S Chemistry)
2007-2010 Korea University (M.S Inorganic chemistry)
2010-2015 Korea University (Ph.D Inorganic chemistry)

Major careers

2010 University of California, Berkeley, Visiting Scholar
2015-2016 Korea University, Department of Chemistry, Research Professor
2016-2017 Korea Basic Science Institute at Korea University, Research Professor
2017-2020 Sejong University, Department of Chemistry, Assistant Professor
